

Math 4 Success

SEQUENCING OF SKILLS

4th Grade

Level 10

Number/Numeral Order	Addition/subtraction	Multiplication and Division	Geometry and Graphs	Measurement
Fractions Equivalent to 1	1. Fractions With Like Denominators/Add 2. Fractions With Like Denominators/Sub.	1. Multi. of Fractions 2. Division of Fractions	Spheres, Cylinders, Cubes	Temperature
1. Place value through Millions 2. Comparing Numbers through Millions	Word Problems	Word Problems	Properties of Line Segments	
		Rules for Divisibility		

Level 11

Number/Numeral Order	Addition/subtraction	Multiplication and Division	Geometry Graphs	Measurement
1. Equivalent Fractions 2. Comparing Fractional No.	1. Adding Fractions Sub. Fractions	1. Multiplication of Fractions 2. Division of Fractions		Average, Mean, Range
1. Composite and Prime Numbers 2. Solution Sets for Inequalities		Word Problems	Line and Bar Graphs	
		Mathematical Systems		

Level 12

Number/Numeral Order	Addition/subtraction	Multiplication/Division	Geometry Graphs	Measurement
Place Value Through Billions	1. Add. of Fractions 2. Sub. Of Fractions	1. Multiples 2. Factors	Properties of Closed Surfaces	
1. Rounding to Billions 2. Comparing No. through Billions	Two Stage Word Problems	Two Stage Word Problems	Volume: Cubic Units	
		Venn Diagrams
