

Math 4 Success

Sequencing of Skills

6th Grade

Level 16

Number/Numeral Order	Addition/subtraction	Multiplication Division	Geometry and Graphs	Measurement
Square Root	N-Digit (whole/decimal)	1. Mixed by whole/fraction 2. Mixed by Whole/fraction	Area of a Circle	
	Word Problems	1. Mixed by Mixed 2. Mixed by Mixed	Classifying Prisms	Construction: Triangles/Hexagons
Other Numeration Systems				

Level 17

Number/Numeral Order	Addition/subtraction	Multiplication Division	Geometry and Graphs	Measurement
Percents: 100, Hundredths		Mixed Decimals by Mixed Decimal	Regular Polyhedra	Construction: Square
Renaming Fractions as a Percent	Using Formulas	Using Formulas	Euler's Formula	Construction: Circle Graph
	Flow Charts			

Level 18

Number/Numeral Order	Addition/subtraction	Multiplication Division	Geometry and Graphs	Measurement
1. Integers 2. Ordering Integers	1. Integers on a Number Line 2. Integers on a Number Line	1. Finding Percent 2. Estimating Sq. Root	Theorem of Pythagoras	
Terminating Decimals as Fractions	Word Problems Integers on A Number Line	Converting Fractions,	Surface Area, Volume: Rectangular Prism	
	Stock Market Math
